

Formation “Effective Writing”

Intervenant :

Daphne Goodfellow, Goodfellow Formations.

Public concerné :

Doctorants anglophones avec un article en cours de préparation.

Forme :

Groupe restreint - 9 participants.

Calendrier :

March 19, 20 and 21 - 2018

Lieu :

Collège Doctoral, Campus Esplanade.

Durée validée :

21 heures.

Program :

The aim of this course is to learn how to write texts according to the guidelines of scientific journals and to acquire the necessary vocabulary and style in order to write an article in English. The workshop is interactive, each student working on his/her own article (you must have started writing this article prior to signing up for the course) and interacting with the course leader on a one to one basis.

This training will be delivered in English.
